SONGS IN THE GLEN

Winding through the foothills of the Sperrin Mountains is the bluebell-lined Cairndaisy Glen. At the top of the Glen nestles Cairndaisy Baptist Church. On Friday 25th April the Glen resounded to the harmonies of a number of local singing groups and soloists.

The evening organised by Nigel Dripps and Timothy Fields, two local young men, was to support the work of the College. Timothy and Nigel are students at the Magherafelt evening class and wanted to show their appreciation to the College and thanks to God for the evening classes.

A group of college students also took part and a college presentation was brought by member of staff Nigel Younge. The building was packed and the College is very thankful to all concerned for raising a magnificent £1100.

Do continue to pray with us for the ongoing financial needs of the College. The target set for this year is £85,000 from the churches and £5,000 in personal gifts.
