Irish Baptist College: Invest in the Future

www.irishbaptistcollege.co.uk

Providing pastors and missionaries for our churches is at the heart of IBC's vision. The vision commenced with the founding of the College in 1892 and

continues today. Central to the vision is the gospel and the training of people for gospel ministry and mission.

It is this emphasis which effectively prepares students for long-term

gospel ministry and mission at home and overseas.

At IBC the key to this provision has been the development of the Preparation for Ministry Course, which was launched in 2008. To date this course has proved enormously popular and student numbers have been growing steadily.

There is a real sense that God is at work in a significant way in the ministry of the College at this time.

COLLEGE		

The College seeks to maintain fees at a reasonable level to ensure that training is accessible to all those who wish to study. However that means that we depend on Churches and individuals to supply approximately one third of our ongoing running costs.

In order to ensure that the College can continue its vital work we ask you to prayerfully consider the attached response form.

All gifts will be acknowledged and you will receive a short monthly 'Friends of the College' update on our work.

Will you stand with us and invest in the future?
