

Christmas 2011

THANK YOU for your prayerful support for the staff and students of the College throughout this past year. Term recommences on 23rd January 2012. Please pray for students as they sit examinations and complete essays.

CAROL SERVICE

A wonderful evening was held at the beginning of December to celebrate the Christmas season and to provide an opportunity for staff, students, family, friends and supporters of the College to meet. A sizeable congregation met in Moira Baptist Church to

take part in a special programme of carols, readings and musical items from College students. Peter Lawther, the student chairman, brought the evening to a close with a very fitting message which reminded us of

the significance of the Incarnation. An offering taken on the evening has enabled the purchase of four new whiteboards for the College classrooms.
