COLLEGE – UNDERGRADUATE ENTRY

(Pictured above - most of the first year students)

Thank you for praying for twelve new students for the new vocational course launched this month. We have fourteen students enrolled! One of whom is part-time. Please thank God with us.

They are being joined by a further three students who completed a one year course and a part-time student who has been on maternity leave.

One of the overseas students still hasn't received his visa. PRAY for him.

They commenced their induction week on 8th September.

Lectures for all students start on the 15th September.

MA in THEOLOGY

Eleven new students have been accepted for this course. They have been together, the week beginning 8th September, for their first teaching block.

Thank you for praying.

- Continue to pray for all those commencing or re-commencing study.
- We have some more enquiries in the pipeline, which were too late for the September entry. They may join us for the second semester.

Please continue to pray

- For the staff as they teach new and existing courses.
- For the commencement service.
